## **Welcome 2015-2016 New and Returning National Skate Patrol Members**

---

### **New NSP Initiatives**

The National Skate Patrol organization is working hard to reinvigorate membership, promote communication between chapters, recruit and train new members, and expand by creating new chapters. This is the first of future seasonal newsletters. If there are any ideas, suggestions, or if you know of a city that would like to start an NSP Chapter we would like to hear from you! [contact@nationalskatepatrol.org](mailto:contact@nationalskatepatrol.org)

---

### **Training and Certification**

NSP Certification Video, Training and Certification Manual, and City Skate 101 Video are now available online at the National Skate Patrol website at [nationalskatepatrol.org](http://nationalskatepatrol.org) under Training Material.

---

### **NSP Looking for Volunteers to Help with Member Benefits**

The NSP Board is looking for volunteers to reach out to skating-related

retailers and manufacturers to inquire about the possibility of offering discount to NSP members. Retailers and manufacturers generally are receptive to such inquires because having National Skate Patrollers wear their equipment is excellent marketing for them. Not only should this be an enjoyable experience, it also could result in valuable additional benefits to all of our NSP members. Anyone interested in helping in this regard is invited to contact any NSP Board member.

## NSP Pictures

We're looking for group or action pictures of Skate Patrollers from recent skate events to feature on the NSP website and in future newsletters. Please email any pictures you

have featuring NSP Skate Patrollers to: [contact@nationalskatepatrol.org](mailto:contact@nationalskatepatrol.org). A prize will be given to the skater who submits the most photos.
